### Description

The Modica high back settee with wings is a modern favourite for care home lounge seating, with matching high back, low back and high back wing options available. Its design breaks from the traditional style of chair synonymous with care homes, with many options for playing with the design including combining different fabrics and vinyls for each element of the chair. Combined with the additional Modica options, you can be sure that your residents are catered for whatever their size or shape, while maintaining the design of the seating throughout.
