## NEWTON Desk Chair

From: £

### Description

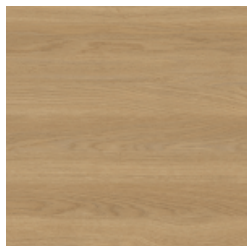

The Newton desk/tub chair combines a traditional design with a vast range of wood finishes and vinyl or waterproof fabric upholstery to bring it into the 21st century. Its strong frame also means it is well suited to care home use, where stability and durability is a must. The wooden surround to the top helps keep cleaning simple, as well as wearing well over long term use where often tub chairs with upholstered arms can begin to show signs of dirt and wear and tear. Open sides also prevent items from being lost if they fall out of pockets.
