Description

The Coventry double door wardrobe is one of our best selling wardrobes, with ample storage and a durable hanging rail. Alternative interiors are also available. Designed and manufactured primarily for care home use, a 15mm thick solid back provides great stability far above high street quality furniture, and can be used for support without leaning or bowing. Use of quality fixings alongside glued, dowelled and screwed with metal KD fixings, this is a piece of furniture that is built to last. The wardrobe is delivered fully assembled unless required otherwise. The hinges on the cupboards are 170° metal.

For those requiring quick delivery, please see our stock bedroom set [here](#).

The Coventry collection comes complete with a full selection of bedside tables, chests of drawers, dressing table and additional storage. An option for each is also available for quick delivery, ensuring a full bedroom set to your door within 10 working days.
