### Description

The Hesketh Queen Anne wing chair is a traditional take on our ever popular Preston wing chair for care and residential homes, with the classy Queen Anne leg style. The rear leg is one continuous piece from the floor to the top of the back, adding to the overall strength and durability of the chair. Where rear legs are screwed on, a weak point is created right where the chair needs the most strength.

The hardwood beech frame features glued screwed and dowelled joints for superior strength and durability, and is finished with Hygienilac wood lacquer to kill bacteria.

A selection of vinyls and waterproof fabrics are available for selection - we always recommend obtaining sample pieces of fabrics to check for colour scheme arrangements. Can't find what you're looking for? [Click here or contact the office to discuss alternatives.](#)

This chair is made to order, with a lead time of approximately 4-6 weeks.

5 year guarantee on frame and springs!
