Description

The **UK-made** EW1A is probably our most popular **easy chair**. When one sits in it though, it is not difficult to see why. An exceedingly comfortable chair, it offers a contemporary style, high, contoured back, generous width and a curved front edge. The solid and laminate beech frame is elegant and strong, while the sumptuous foam is firm enough for all-day comfort. We have provided them for several different environments, all of which had placed comfort and style high on the agenda. One can choose single seat or twin/sofa, arms, stained frame, stain protected tweed, care fabric or even leather. Options extend to matching coffee tables (with the same elegant frame look) and PVC feet. For that lounge area look without a waiting room feel, the high quality EW1 is a chair that few sit in without being very impressed indeed.

The chairs are entirely UK-made and come with our impressive 6 year guarantee. Depending on numbers, a sample can be provided for trial. An extensive range of fabrics is available to suit every need: coffee, counselling, care home, reception and more. The frame can be stained to one of numerous different shades. The lead time is typically 5 weeks from the date of order.

Please note the minimum online order quantity for this product is 3. For smaller quantities please call the office to discuss delivery costs.
